Qualification Description

This qualification reflects the role of workers who have lived experience of mental illness as either a consumer or carer and who work in mental health services in roles that support consumer peers or carer peers. Workers are employed in the mental health sector in government, public, private or community managed services.

To achieve this qualification, the candidate must have completed at least 80 hours of work as detailed in the Assessment Requirements of units of competency.

No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication.

Packaging Rules

Total number of units = 15

- 8 core units
- 7 elective units, consisting of:
 - at least 5 units from the electives listed below
 - up to 2 units from the electives listed below, any endorsed Training Package or accredited course – these units must be relevant to the work outcome

Any combination of electives that meets the rules above can be selected for the award of the *Certificate IV in Mental Health Peer Work*. Where appropriate, electives may be packaged to provide a qualification with a specialisation.

Packaging for each specialisation:

All Group A electives must be selected for award of the *Certificate IV in Mental Health Peer Work (Consumer Peer Work)*

All Group B electives must be selected for award of the *Certificate IV in Mental Health Peer Work (Carer Peer Work)*

All electives chosen must contribute to a valid, industry-supported vocational outcome.
